# B&B UPDATE

Hey everyone! As the spring and summer AAU basketball season approaches, it's time to get excited for a new chapter of competition, growth, and teamwork!

To our players, this is the perfect time to push your limits, sharpen your game, and build chemistry with your teammates. Growing as a player is all about consistently pushing yourself to improve—not just physically, but mentally and emotionally as well. It's about showing up, putting in the work, and understanding that growth doesn't always come from winning; it comes from learning, adapting, and becoming more self-aware.

To all our families, thank you for your support! Your encouragement and presence make all the difference in a player's journey.

That being said, we're beyond excited to see everyone at tryouts! Best of luck with the rest of your Winter Season—we can't wait to get started!
