ACADEMY

WELCOME TO OUR NEWSLETTER!

We are excited to introduce our new monthly newsletter, "Overtime with B&B Basketball". Throughout each newsletter, we will be highlighting various topics such as upcoming camps/tryouts, interviews with coaches, current and former player spotlights, any important news regarding our program, and much, much more.

Here at B&B Basketball Academy we are dedicated to the improvement and advancement of all basketball players regardless of age, gender, and skill level. We recognize that our athletes are the future stars of Colorado, thus our mission is to help every Academy athlete become a better basketball player and, more importantly, a better person.

THANK YOU!

We hope everyone has had a great start to the 2023-24 school year. We know this is an exciting time of year and want to wish everyone a great 2023-24 school year.

We also want to take some time and let all our players and their families know just how much you guys mean to us. We firmly believe that we have the best program in the state, and that is directly correlated to our players and their families. You guys have been AWESOME!

We don't take the responsibility of being a coach lightly. We cannot THANK everyone enough for allowing us and our coaching staff the opportunity to be a part of your kids and families lives. I know we can speak on behalf of all our coaches and administrators when we say THANK YOU for being a part of B&B Basketball Academy.

We have a lot of exciting things happening here at B&B, but nothing excites us more than working with your kids. At the end of the day, we love what we do, and we love all our players and families.

We cannot wait to see everyone again very soon and GO B&B!

Sincerely,
Amy, Michael & Stephen Bahl

SPRING/SUMMER RECAP

9th Black wins the Diamond Division Championship in Las Vegas

11th Black wins the Mountain Madness Championship

10th White wins the Las Vegas Grand Finale Championship

5th White wins the Freedom Classic Championship

Another successful Spring and Summer season is in the books, and we could not be more proud of how hard every team competed this year.

Throughout the season, it was apparent our players worked hard to improve their skill set, both mentally and physically. The development of leadership skills was noticeable on and off the court. The confidence in every player was evident and we believe that is the first step towards success in life.

Coach Michael Bahl said, "Couldn't be more proud of all of our athletes this past Spring & Summer. Our goal as a program was to get 1% better each and every time we came to practice or games and we feel strongly that this happened across the board as a program".

Lastly, we want to give a special shoutout to all our coaches who dedicated their time with us this Spring and Summer. Without you, none of this would be possible!

SPRING/SUMMER RECAP

EUROPE TRIP

Oh, where this game can take you! We have been very fortunate to be able to travel the world and experience new things, and all of it is possible because of the game of basketball. Basketball truly is a global game. At the end of this summer, we were able to travel to Slovenia, Italy and Sweden to experience different cultures, meet new people & friends and coach a little basketball.

Our journey started in Sežana, Slovenia where we were able to watch some of our B&B 7th Grade Girls players train and compete for a Macron Sponsored Team, coached by George Grkinich and Coach Kenny Queen. The girls competed against a very tough and talented Slovenia National Team. After 3 days in Slovenia, the team traveled to Lignano Sabbiadoro, which is on the western coast of Italy for another 3 days of training and some much-needed beach time. The team was able to compete against another opponent while in Lignano for their 2nd and final competition. Overall, we cannot thank Macron Sports and more specifically George Grkinich for making this basketball tour happen. It was an experience those girls and families will never forget.

EUROPE TRIP

After spending time in Slovenia, Coach Amy and Coach Michael headed off to Umeå, Sweden to host a 2-day youth basketball camp for both boys & girls. For those people who did not know, Coach Amy Bahl had the opportunity to play and coach professionally in Umea, Sweden for 4 years. Since then, she has been asked to come back and run a yearly basketball camp to help promote the game of basketball. This was their 2nd consecutive summer running a basketball camp in Umeå, and the camp was a huge success. They look forward to going back next summer in hopes of bringing more B&B Coaches and players to participate and help run the camp.

Our goal is to continue to use the game of basketball as a vehicle to give our players and their families who are in our program an experience of a lifetime. Developing our international programs (camps, teams, etc.) is something we aim to do in order to bring this experience to as many families as possible.
