B&B UPDATE

Summer is finally here! June marks the halfway point of our 2026 spring summer season. We are so proud of the growth and progress that all our teams, players, and coaches have made.

As competition picks back up, it's important that our focus remains the same. Winning and losing will never have a direct impact on your growth as a player. It's how you treat winning and losing that really matters. Your response matters. You win? Get back to work! You lose? Get back to work!

If you can fall in love with the process more than the results you will be able to achieve whatever your goals are. We cannot wait to get back in the gym with all our teams and we are excited to close this season out on a high note! We will see everyone soon!

Rachel Caliga (4th Year with B&B): "New season, let's go!!! There's nothing like coaching the game you love, but doing it with B&B is special because it truly feels like family. I love being a part of this program because it creates the perfect environment for kids to have fun, grow their skills, and make friendships and memories that will last a lifetime!"

Coach Jake Wetzel (3rd Year with B&B): "It has been a blast working alongside our coaches and helping guide our players through the first half of the AAU season. The culture within our program has been outstanding, and it has been exciting to watch the growth and development of our athletes. We are proud of the progress they have made and look forward to continuing that momentum throughout the rest of the season. We have a lot ahead of us!".

Grant Meurer (2nd Year with B&B): "As we get into the Summer of the AAU season, I'm excited for the opportunity to continue growing as a coach and helping young athletes develop their skills and confidence. Coaching with B&B has been an incredible experience because it has allowed me to build meaningful relationships with players while sharing my passion for the game. Every season brings new challenges, lessons, and opportunities, and I'm looking forward to helping our teams compete, improve, and create lasting memories both on and off the court".
